#### Hounds Tooth

Hounds Tooth, showcasing the dynamic and soulful voice of Miss Jamie Brace, has stormed onto the regional scene with their high-energy show of Soul Rockin' Blues. Miss Jamie captivates an audience as she caresses them intimately with a soulful ballad and then takes them over the edge as she kicks it into high gear with a blues-rock anthem. Complimented by the rest of the band, including 20 year-old blues guitar phenom Jared James Nichols, Hounds Tooth's youthful line-up shows that the blues is in great hands for the future. With a set list rich in jump blues, original material, classic soul, and blues-rock numbers, Hounds Tooth's modern Soul Rockin' Blues appeals to a wide range of audiences. You will find Hounds Tooth wowing audiences at blues festivals, Summerfest, the Slippery Noodle Inn, and other top local and regional venues. Hounds Tooth was a 2009 WAMI Nominee for Best Blues Band; a 2008 WAMI Winner; a 2009 IBC Nominee for Best Self-Produced CD; The Shepherd Express' Best Blues Band in 2006 and Runner-Up in 2008; and Miss Jamie Brace was the 2007 Shepherd Express' Best Female Vocalist. Jared James Nichols recently appeared on-stage as a special guest at Jimmie Vaughan's birthday celebration in Austin, Texas.
